Apartment, Formentera del Segura

Apartment with 2 bedrooms and 2 bathrooms in Formentera Del Segura, Alicante.

Unique construction concept in the area with an oasis of relaxation on the roof. Within walking distance of all amenities in Formentera del Segura, an area with rare value for money.

Uniquely high level of design and quality at very competitive prices. All apartments have a modern open kitchen, 4-burner ceramic hob and extractor. The bathrooms are modern with free-standing bathroom furniture with built-in washbasins and mirrors with indirect lighting, free-hanging toilets and walk-in shower. Terraces face west.

The apartments are included in the price: kitchen appliances, air conditioning, storage space, furniture, motorized blinds in all bedrooms, double glazing with sun filter, ceiling-high built-in kitchen furniture, built-in wardrobes in bedrooms, LED lighting throughout the apartment, energy efficient boiler, 130 liters. What you see is what you get.

The parking space and a personal storage room are included in this price! The roof terrace is an oasis of relaxation, but also for the sporty types, with a 3x8 m outdoor swimming pool, a sauna, outdoor fitness equipment, a relaxation area with sun loungers and sun beds and an outdoor kitchen with barbecue.

Bedrooms: 2
