## Villa, Ciudad Quesada

Detached villa with 5 bedrooms and 4 bathrooms in Ciudad Quesada, Alicante.

We are pleased to be selling this stunning detached villa located in the La Fiesta region of Ciudad Quesada, with fantastic views of El Parque Recorral, lake La Mata and the Mediterranean Sea, the property boasts a build size of over 230m2, located on a plot of 699m2.

A flight of stairs leads to the main entrance level of the property, to the right of this there is a spacious terrace large enough for a small family to sit and enjoy meals al-fresco whilst enjoying unspoilt views of El Parque Recorral.

Upon entering the property you are presented with a large living room with a beautiful bay window, again offering views of the park. The living room benefits from air conditioning, ceiling fans and a fully operational log burner for the cooler evenings. Just off the living room is a bright spacious fully fitted kitchen including dishwasher and washing machine, the kitchen has three large windows overlooking the garden and the pool area.

Additionally on this level there is a separate dining room with patio doors leading to the private back garden, a double bedroom with fully fitted wardrobes, air conditioning and ceiling fan and a good sized family bathroom.

Upstairs is an additional lounge area with a large TV thereby offering choices of where to relax. This area could easily be turned into an additional bedroom if required, from here there is access to a spacious private terrace, which again overlooks the garden and out towards the park.
