## Villa, Torrevieja

Villa with 5 bedrooms and 4 bathrooms in Torrevieja (Los Angeles), Alicante.

Welcome to this unique and charming house beyond the ordinary on the outskirts of downtown Torrevieja, Los Angeles.

This beautiful and undisturbed villa is spread over 3 levels and offers a genuine Mediterranean feeling! The house consists of 5 bedrooms, 4 bathrooms, several living rooms and living rooms as well as a spacious kitchen with connection to the laundry room and basement. The large basement and garage consists of over 200 sqm, which means space for more cars and very good storage space. The house has several exits to the large garden, where we find everything from bar and grill areas, various terraces and lounges as well as the large beautiful pool area. A perfect place to enjoy the good Spanish climate all year round with good friends and family.

The house is freely and nicely located with good sun conditions and is perfect for you who want to live all year round or as a holiday home.

From the residence you are within walking distance of a number of restaurants, bars and shops.
